HOMES

## THE NEXT GENERATION OF SINGLE-STORY HOMES

We're pleased to share our collection of Generation Ranch Home Designs. These single-story designs feature distinctive architectural details and spacious, open floor plans that are ideal for modern family living. And because we're the nation's largest custom modular-home manufacturer, you have maximum flexibility to customize our designs with hundreds of options and upgrades – choose everything from the layout and design of your home to the cabinets and countertops from a variety of leading national brands. Together, we can custom-build your dream home.
